

Agreement No. _____

APPENDIX VII NOTICES TO NEVADA

This Appendix is an integral part of the Master Agreement for Access to Poles, Ducts, Conduits, and Rights-of-Way to which it is attached.

1. Notices to NEVADA shall be given to the Structure Licensing Coordinator (“SLC”) designated in APPENDIX VIII of the Master Agreement. The Structure Licensing Coordinator is generally responsible for coordinating applications for access to NEVADA’s poles, ducts, conduits, and rights-of-way and serving as Applicant’s initial point of contact for matters arising out of or in connection with the administration of the Master Agreement. Notices to the SLC shall be given in writing in the manner prescribed in Section 29.2. Notices to be sent to the SLC include, but are not limited to, notices under the following provisions of the Master Agreement.
 - 7.1 Notification of Designation of Primary Point of Contact
 - 7.3.1 Notification of intent to review records
 - 8.XX All Notifications in Article 8
 - 9.XX All Notifications in Article 9
 - 10.4.5 Notification Regarding Make-Ready Work
 - 12.4 Notification of occupation of maintenance duct for short-term use
 - 12.5 Notification of Applicant’s maintenance contact
 - 13.1 Notification of planned modifications
 - 14.2.3 Notification of Applicant’s desire to add to or modify its existing attachment
 - 15.2.2 Notification of occupation of maintenance duct for short-term emergency use
 - 15.3 Notification of emergency repair coordinators
 - 16.1 Notification that facilities have been brought into compliance
 - 17.2.3 Disclaimer of ownership or responsibility for untagged facilities

Agreement No. _____

**APPENDIX VII
NOTICES TO NEVADA**

- 17.6 Notification of Applicant's response to ownership of facilities in question
- 18.1.1 Notice of intent to remove facilities
- 18.1.5 Notice of intent to terminate license
- 18.6 Notification of completion of removal of facilities
- 20.1.3 Notification of change of bond
- 21.17 Notification of claims
- 23.XX All notifications of insurance coverage in Article 23
- 24.3 Notification of assignment
- 25.1 Notification of termination
- 25.3 Notification of cure of breach
- 27.4 Notice of elective termination
- 29.3 Notification of change in notice requirements
- 2. Other notices. The following notices may be given orally or in writing (including fax) and shall be given to NEVADA's Local Operations Center ("LOC") at 1-800-565-5504 instead of the SLC.
 - 6.5.1 Notifications relating to electrical interference
 - 6.9.4 Notifications of unsafe conditions
 - 6.11.1 Notification of manhole entry
 - 6.13.3 Notification of environmental contaminants
 - 10.2.2 Notification of materials required for self-provisioning of inner duct

Agreement No. _____

**APPENDIX VII
NOTICES TO NEVADA**

- 15.4 Notification of conditions requiring emergency repair
- 15.6.1 Notification of performing corrective work on emergency repair.
(advanced notice)
- 15.6.2 Notification of performing corrective work on emergency repair.
(no advanced notice)
3. Additional information and questions concerning notice requirements. The SLC, as Applicant's initial point of contact, will provide additional information to Applicant concerning notification procedures for notices to be given to NEVADA's LOC. Questions to NEVADA concerning notice requirements should be directed to the SLC. The SLC is not authorized to provide Applicant legal advice with respect to notice requirements. Questions by Applicant's personnel and other persons acting on Applicant's behalf concerning Applicant's legal obligations should be directed to Applicant's legal counsel or such other personnel as Applicant may direct.
4. Appendix may be made by NEVADA from time to time in accordance with the provisions of Section 29.3 of the Master Agreement.
